MEMORANDUM FOR THE ASSISTANT DIRECTOR FOR OPERATIONS  
Attention: Contact Branch

TO: Security Branch, OCD

Subject: Liaison Clearing Authority - NSC and NAS

1. Both Dr. Bronk of the National Research Council and Dr. Jewett of the National Academy of Science were requested in January to name Liaison Clearing Authorities. Both officers replied that the problem was being studied.

2. Telephone conversation this date with Dr. Zwemer, Executive Secretary to both organizations, will probably result in his designation as the clearing authority, in the near future.

3. Therefore, Security Branch, OCD is requested to initiate necessary action to establish a Security Policy for National Research Council and National Academy of Science.

4. [REDACTED] Contact Branch, OO, is authorized to maintain liaison with Dr. R. L. Zwemer on topics classified no higher than "Restricted."
